Day	Itinerary	
Day 1	<p>Hong Kong – Reykjavik Upon arrival, take the FLYBUS shuttle on your own to the hotel. Overnight stay at Reykjavik.</p>	
Day 2	<p>Reykjavik City Tour, The Blue Lagoon & Reykjanes Peninsula At 09:00 meet your tour guide who will show you the highlights of Iceland's exciting capital. Then head out to the Reykjanes Peninsula with its hot springs, mountains, bird cliffs, lighthouses and fishing villages. By the end of the day, we get to soak off our travels in the warm mineral-rich waters of the famous Blue Lagoon. We stay for two nights in simple cottages in South Iceland. In the evening, we hear about the Northern Lights from our tour guide. Naturally, once darkness falls, you are out in the garden waiting for the Northern Lights. Overnight stay at Hella.</p>	
Day 3	<p>South Iceland With Optional Glacier Hike Today we head along the south coast and reach the area near the active volcano that is beneath the Eyjafjallajökull glacier. We stop at the high but narrow Seljalandsfoss waterfall, which plunges from the mountain. Next, we visit Skógar folk museums. Nearby is one of the most impressive waterfalls in the country; the 60-meter high Skógafoss waterfall. In the afternoon you may take an optional glacier walk. (not available during New Year's departure – Dec 29, 18) The Sólheimajökull glacier tongue extends from the large Mýrdalsjökull glacier, down to the sandy plains of the Icelandic south coast. On this fun, safe and easy to moderate glacier walk you get to explore the wonderland of ice sculptures, water cauldrons, ridges and deep crevasses on the breath-taking Sólheimajökull glacier. Duration of this activity is about 3 hours in total, about 90 minutes on the ice and about 30-40 min walk (one-way) from the parking lot to the glacier edge itself. The minimum age for the glacier hike is 10 years. You need to bring warm clothing, rain gear and hiking boots. (The glacier hike can only be booked with the guide on day 2. The special price for the Land of Northern Lights group members is about ISK 14.000 ; prices are subject to change. Payment is due with the glacier hike company on day 3 in Icelandic Krona - cash only!) If you do not book the glacier hike, the tour continues further south where you can stroll on the black lava beach to see the amazing bird cliffs at Reynisfjara near Vík. In the evening there is another presentation about the Northern Lights. If the night is clear, you might see the Northern Lights swirling in a wild and carefree dance across the heavens in dramatic shapes, colours, patterns and sizes. Overnight stay at Hella.</p>	
Day 4	<p>Horses & Golden Circle In the morning you learn about the Icelandic horse, its unique qualities and history and visit a geothermal greenhouse. Travel the Golden Circle route. See steam rising from the Geysir geothermal fields as you arrive. There is a variety of hot springs and bubbling pools. The original geyser is now dormant but has been replaced by Strokkur "the Churn" which erupts at 5-10 minute intervals. Continue to Gullfoss, a double waterfall that tumbles 34 meters into the Hvítá River and attracts tourists and travellers in summer and winter. Head inland to Pingvellir National Park, a UNESCO World Heritage Site, before returning to Reykjavík for your last night. An optional Northern Lights evening cruise (at extra cost) can be booked while in the destination if the weather conditions are ideal. Overnight stay at Reykjavik.</p>	
Day 5	<p>Reykjavik Transfer by Flybus shuttle on your own to the airport and catch the flight back home. Overnight stay at Reykjavik.</p>	
Day 6/7	<p>Reykjavik - Hong Kong Transfer by Flybus shuttle on your own to the airport and catch the flight back home.</p>	

Itineraries may be subject to change at short notice during severe weather conditions and certain outdoor activities/day trips may be canceled during the winter season in Iceland. In these rare cases, where situations of force majeure apply, excursions/activities cannot be refunded but the local guides will try their best to find reasonable alternatives where and whenever possible.

There is limited daylight, about 5-6 hours, for departures mid-November to end of January, and the shortest daylight in Iceland is on the 21st of December, about 4 hours.

Not your dream itinerary? We can always tailor-make your unique itinerary which suits you perfectly!
